

# Business and Sport Excellence Award

The Calgary Sport Council is pleased to announce the inaugural **Business and Sport Excellence Award**.

The award recognizes and celebrates a corporation that provides outstanding, innovative, consistent support to sport in Calgary. Our intent is to recognize a corporation that pro-actively supports sport by providing funding and/or other support to sport in Calgary. The support offered by the corporation should not be measured by dollar value but measured in terms of the impact that it has. For example, has the outcome of the support:

- been something which is positive and unique?
- made something happen that has never happened before?
- allowed the sport organization to make a major change, advance, develop, diversify or grow?
- had a measurable impact on the sport group?
- shown that the corporation understands the needs of the sport group and develops initiatives to meet those needs?
- opened doors to more corporate partners (or inspired other companies to get involved)?

The Calgary Sport Council is soliciting nominations from the Calgary community. Any individual or organization may submit a nomination. All nominations must be received by **August 31, 2006**.

The award will be presented at the **Mayor's Breakfast Honouring Sport In Calgary** at the Telus Convention Centre on Wednesday, September 20, 2006. The finalists for the award will be notified by September 7, 2006 and the award winner will be announced at the Breakfast.
